Dear **Raid® Outdoor Ant Nest Destroyer 2** and **Raid Max® Wasp & Hornet Foam Bug Killer 2** consumers,

Raid® has initiated a recall of the **Raid® Outdoor Ant Nest Destroyer 2** and **Raid Max® Wasp & Hornet Foam Bug Killer 2** due to a quality issue involving can leakage. We determined that this issue is limited to cans manufactured at a specific facility and impacts only these two products in our Canadian market.

Consumers can visit our dedicated microsite at www.raidrecallcanada.com and submit their Product UPC & Lot Code to confirm whether they have the affected product. Via this website, consumers can claim a refund for their product purchase.

Please check your local solid waste agency to properly dispose of this compressed gas aluminum aerosol product.
